COPAYMENT SUMMARY — A uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

MEMBER RESPONSIBILITY
(OUT-OF-POCKET COSTS)

ANNUAL DEDUCTIBLE

Amount if enrolled as Single Member only.	\$1,800
Amount if enrolled as Family.	\$3,600

The *annual deductible* is the amount of money a member or family must pay for covered services before WHA will cover those services. The deductible applies to both medical and pharmacy expenses. The deductible does not apply to Preventive Care Services as noted below. The deductible is applied each calendar year. If you have family coverage, there is no single deductible for each family member; rather, the entire Family deductible must be met before WHA becomes responsible for providing covered services for any individual member in the family. Amounts paid for non-covered services do not count toward a member's deductible.

ANNUAL OUT-OF-POCKET MAXIMUM

Amount if enrolled as Single Member only.	\$1,800
Amount if enrolled as Family.	\$3,600

The *out-of-pocket maximum* is the maximum total amount of copayments and deductibles that a member or the family must pay for covered services during any calendar year. If you have family coverage, there is no single out-of-pocket maximum for each family member; rather, the entire Family out-of-pocket maximum must be met before you do not have to pay any more copayments for that calendar year. Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.

ADDITIONAL INFORMATION

COPAYMENTS AND DEDUCTIBLES

When your copayments and deductible payments for the services described in this Copayment Summary have reached the annual out-of-pocket maximum, WHA will automatically provide you with a document to show that you do not have to pay any more copayments or deductibles for covered services through the end of the calendar year.

The deductible and annual out-of-pocket maximum apply only to the covered services described in this Copayment Summary. Copayments and deductibles for any benefits purchased separately as a rider, including but not limited to infertility benefits, do not apply to this deductible or annual out-of-pocket maximum.

Deductibles or percentage copayments are based upon WHA's contracted rates with the provider of service.

To see how much you have paid toward your annual deductible, log onto WHA's website at westernhealth.com. Log in with your Personal Access ID. If you do not have a Personal Access ID, sign up for it on the website and a PIN number will be emailed to you. For your annual deductible balance, follow the "Eligibility Information" link. Click on "Deductible Balances" to see how much has been applied toward your annual deductible during the calendar year.

If you have any questions about how much has been applied to your deductible or annual out-of-pocket maximum, or whether certain payments you have made apply to the annual out-of-pocket maximum, please call WHA Member Services at (916) 563-2250 or toll free at (888) 563-2250.

PRESCRIPTION COVERAGE

WHA shall cover Prescription medications at Participating Pharmacies and prescribed in connection with a covered service.

Regardless of medical necessity or Generic availability, you will be responsible for the Brand Name (Preferred or Non-Preferred) copayment when a Brand Name medication is dispensed. If a Generic medication is available and you elect to receive a Brand Name medication without medical indication from the prescribing physician, you will be responsible for the difference in cost between Generic and Brand Name in addition to the Generic copayment.

At walk-in pharmacies if the actual cost of the prescription is less than the applicable copayment, the member will only be responsible for paying the actual cost of the medication.

COVERED PRESCRIPTION MEDICATIONS

- Oral medications that require a Prescription by state or federal law, written by a Participating Physician and dispensed by a Participating Pharmacy.
- Covered Prescription medications dispensed by a non-Participating Pharmacy outside of WHA's service area for urgent or emergency care only (you may submit your receipt to WHA for reimbursement).
- Compounded Prescriptions, which contain at least one Prescription ingredient.
- Insulin, insulin syringes with needles, glucose test strips and tablets.
- Oral contraceptives and diaphragms.
- Prenatal Prescription vitamins or vitamins in conjunction with fluoride.
- Pediatric asthma supplies and devices.

PRESCRIPTION DEFINITIONS

Preferred Drug List (PDL) is a preferred listing of medications developed by WHA's Pharmacy and Therapeutics (P&T) Committee as drugs of choice in their respective classes of Preferred Generic medication or Preferred Brand Name medication.

Three-tier Copay Plan means Preferred Generic medications listed on the PDL are covered at the lowest tier copayment level, Brand Name medications listed on the PDL are provided at the second tier copayment level, and drugs not listed on the PDL are covered at the third tier copayment level. There are a small number of drugs, regardless of tier, that may require prior authorization to ensure the appropriate use based on criteria set by the WHA P&T Committee.

Please note that a drug's presence on the WHA PDL does not guarantee that the member's physician will prescribe the drug. Members may request a copy of the PDL by calling WHA Member Services or view the document on WHA's website at westernhealth.com.
